Schedule D, Part V, Line 4 - The majority of the restricted endowment funds are designated to support the operations of the free dental clinic. The quasi-endowment was designated for 10 years of support if needed for general operations after which it may be designated to specific programs Schedule D, Part X, Line 2 - Hope adopted ASC guidance regarding accounting for uncertainty in income taxes. This guidance clarifies the

accounting for income taxes by prescribing the minimum recognition threshold an income tax position is required to meet before being
recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step
process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon
technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria,
the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate
settlement. At December 31, 2020 and 2019, there were not uncertain tax positions that require accrual.
Schedule D, Part XI, Line 4b - In 2020 Hope received \$123,698 from the Federal Retention Credit in response to remaining open during the
pandemic. Other funds include record fees, bank credits and miscellaneous items.

Name of the organization **Employer identification number** HOPE MEDICAL CLINIC INC 38-2469007 Form 990, Part III, Line 3 - During 2020 substantial modifications in operations were made in response to the COVID pandemic. The medical clinic's in person care was limited, however telemed services were initiated. The dental clinic had to reduce activities to emergency services during the peak of the pandemic. The food program significantly expanded and increased meal services to five or six days a week, but meals had to be distributed on a carry out basis. Other services were modified in similar manners. Form 990, Part VI, Section B, Line 11b - the form 990 is reviewed by both the board treasurer and the Ways and Means Committee prior to the filing and a copy is provided to the full board upon approval by the Ways and means Committee Form 990, Part VI, Section B, Line 12c - Each year Board members, officers and senior staff are required to review and sign the conflict of interest policy. Potential conflicts are monitored both through customary financial internal controls and standard human resources policies overseen by management and the Board's Ways and Means Committee. Form 990, Part VI, Section B, Line 15 - The Board's Ways and Means Committee includes personnel matters in its oversight. This committee makes a recommendation to the full board regarding the salary of the Executive Director. This is done on an annual basis after both a performance review and a market evaluation of other executive directors in the local area from agencies of similar size. The Executive Director does the same for any key employees and senior staff. All salaries are subject to budgetary approval of the Ways and Means Committee. Form 990, Part VI, Section C, Line 19 - Hope's governing documents are filed with the State of Michigan. They are also available upon request. Hope makes its annual audit and Form 990 available on its website as well as upon request. Form 990, Part XI, Line 9 - In Hope's audit report the value of professional donated services is recognized as revenue for financial accounting purposes. The corresponding expense is also recognized as constructive salaries or the cost Hope would have had to expend for the professional services if they had not been volunteered.
